# OPPORTUNITY

## Looking for a guaranteed premium market for your calves?

We're looking for calf producers!

Cochrane Stock Farms is very excited to offer additional opportunity to our bull buying customers. We aggressively source Limousin calves to feed in our newly-expanded feedlot.

Cochrane Stock Farms offers competitive pricing for customers' high-percentage Limousin calves off the farm.

*Calves must be:*

- Sired by Limousin bulls
- Age verified
- Raised without hormones, antibiotics, ionophores (Rumensin) and animal by-products

Call Darby to discuss a partnership with Cochrane Stock Farms.

“Limo sired calves help take the guesswork out of our marketing. By purchasing limo bulls from Cochrane Stock Farms, we have an opportunity to become vertically integrated in the beef industry.

It's good for us to know that after Darby sells you a bull, he is interested in giving you a good bid on your feeder calves.

I feel this is a win win situation for our operation.”

## April 11, 2009

CSF's annual Shamrock Bull Sale will take place the second Saturday of April, the 11<sup>th</sup>.

We provide a low-stress, open communication style of sale that allows you to evaluate the bulls on your time, talk to us about the bulls and the calf buy-back program.

*Here's how it works:*

- A floor price will be set on all bulls prior to the sale
- Initial bids will be placed on the bulls by secret ballot
- Bulls will be split into two sale groups
- Bulls who have two or more bids will be auctioned off in Sale Order, and anyone in attendance will be able to bid
- Bulls with one bid will be sold to the buyer at floor price
- Buyers interested in multiple lots will be able to select one or all lots if they made the only bid initially

*As always, CSF provides:*

**Free delivery in Manitoba**

**Guaranteed satisfaction**

**Hybrid vigor**

**Limousin muscle and growth**

**Proven BEEF bulls!**
